

Sale Name: April 8 2024 Online

LOT 7 - John Deere 1010 special Tractor, this tractor will need some project work as needs battery, rear tires need inflated that we know of. Running condition otherwise unknown to Hash Auctions yet here is a good old school tractor with gas engine that should be easy to work on compared to today's models. You will want to make it a priority to stop by Hash Auctions and inspect this tractor out for yourself, as one like this Don't come about at Auction very often.
