Sale Name: April 8 2024 Online

LOT 8 - John Deere Tractor for parts or repairs, mostly complete some sheet Metal missing and the seat, this tractor was intended to be for parts for the lot 7 Tractor from the same seller but with more projects than he cares to have they were hauled here for you to be the next owner, As photos show the seat is missing as this tractor was owned by a Farmer who Lost His Ass at Farming so he just had no need to replace the seat. Just saying it as it is Folks. Seriously the Tractor should be worthy of your attention
