**LOT 996 - Crown ST 3000-25, pallet Stacker, battery operated pallet Jack with lift for stacking pallets, 2500lbs capacity. This machine looks clean almost like new However the seller says, Batteries Are Dead and will need replaced. Unable to read hour meter because of dead batteries.**

### Description

Crown ST 3000-25, pallet Stacker, battery operated pallet Jack with lift for stacking pallets, 2500lbs capacity. This machine looks clean almost like new. However the seller

says, **Batteries Are Dead and will need replaced.** Unable to read hour meter because of dead batteries. We unloaded with our Bobcat so loader will be available to load so bring something appropriate to load onto. I have disclosed all I know as given to me by the seller, so understand you are buying as is. Makes plans if needed to stop by Hash Auctions and inspect for yourself or have someone inspect for you. Seller code C-6

**Quantity: 1**
