LOT 2370A - 74" Wood-Framed Folding Cot with Canvas Cover

Description

74-inch folding cot with a wood frame and beige canvas cover. Features a collapsible design with folding cross legs, metal hardware, and a center cut-out in the canvas for stability or ventilation. Includes wooden rods, metal couplings, and canvas storage covers, appearing to allow for compact disassembly and portability. Minor wear visible on the canvas and frame, consistent with use. Full assembly noted in photos, with all components present.
