LOT 2379a - Pink Embellished Jacket and Assorted Textile Lot

Description

Lot includes one pink long-sleeve jacket with decorative metal and pearl embellishments on the collar, fabric rosette detailing, two front patch pockets, and button closures. The jacket shows signs of wear, including fabric thinning and irregularities, particularly around the arms. Accompanying the jacket is assorted textile material, including crocheted blankets, one with a purple granny-square design and another with multicolor patchwork, as well as a white fringed throw, a yellow woven piece with multicolor stripes and fringe, floral-patterned and printed fabrics, and additional materials contained within a cardboard box. Textiles show varying conditions with storage-related creases and some visible signs of wear.
