LOT 2197 - EVLA's Baby Food Maker with Accessories

Description

EVLA's baby food maker in its original packaging. The set includes a main food maker unit with a clear blending/chopping bowl, multiple reusable food pouches with colorful fruit and vegetable designs, and an instruction manual. The baby food maker is designed to steam and blend food for convenient preparation. Package shows light handling wear but appears complete. Contents are as shown.

Quantity: 1
