LOT 5 - Simplicity 1080S Two-Stage Snow Blower with Tecumseh 10 HP Engine

Description

Simplicity 1080S two-stage snow blower featuring a Tecumseh 10 HP engine. Includes a red auger housing, control panel with gear selectors, and rugged wheels for traction. Visible wear and surface rust on components as shown. As it's been sitting in storage a while so mechanical attention will be required and will sell as is.
