LOT 220D - Speed Queen Stacked Commercial Double Dryer With Coin-Operated Controls

Description

Gas powered Stacked Speed Queen commercial Double Dryers unit featuring front-loading soft-mount drums for both the washer and dryer. Equipped with digital control panels for easy operation and coin slots set at \$0.25 increments. Designed for efficiency in commercial settings. Unsure if natural gas or tank propane gas fired. We

DO NOT HAVE KEYS TO OPEN THE COIN OP SLOT. We were told they were in working order however Hash Auctions is unable to test and for this reason we are selling as is. This particular machine is missing the touchscreen.
