LOT 9 - Karcher Pressure Washer with Honda GC190 Engine

Description

Karcher pressure washer equipped with a Honda GC190 engine and a pump from High Pressure Pump Technologies. The machine powered on, but the hose line and wand were not tested. Features include a maximum of 3000 PSI and 2.6 GPM as stated on the label. A new pump was added but the pump doesn't get the best water pressure, sold as-is.

Quantity: 1
