LOT 159 - Dayton Jet Pump Motor with Ramsey Winch Assembly

Description

Dayton Jet Pump Motor, Model 5K659C, 1 HP with 3450 RPM, paired with a Ramsey Winch Co. assembly. The setup includes a metal frame and cable spool. Visible signs of wear consistent with prior use. Components include a Boston gear system and control fitting. The wooden spool the winch is photographed on is not part of lot.

Quantity: 1
